2015 NAIC GRAND CHAMPION WELCOME MESSAGE

I am honored to welcome all of the North American Inspectors Championship (NAIC) contestants to Indianapolis. I am a little conflicted; I would love to be there with you, but I have to take advantage of an opportunity to become a USDOT instructor. Regardless of who gets the most points this week, you are ALL Champions. Every one of you needs to hold your head high and be proud that you are representing your agency at this level. However, there can be only one Grand Champion and Friday it will be one of you. It will be an honor that you will carry for a lifetime and a salute to a career dedicated to commercial motor vehicle (CMV) safety.

The contest is what most think about when they hear NAIC, but there is so much more. This week is mainly training, as it should be. We have all chosen a career that is constantly improving, changing and evolving. CMV inspectors are lost and out of date without training. This week will consist of the best, most up-to-date training you can receive. My favorite part of being a past NAIC contestant was the training I brought back and shared with my fellow troopers.

Right behind training in importance is fellowship. All of you will be divided into teams and receive a local team leader. If you don't do anything else this week, have fun. Talk to your teammates, leaders, local officers and everyone else. It was amazing to me to see the conditions my counterparts deal with in other states and countries. I have made so many friends in so many jurisdictions through NAIC. Please take advantage of this week and get the full benefits. Also, make sure you talk to the local officers this week. I promise you they know the best places to eat and the sites you will not want to miss.

Please thank the CVSA staff, local jurisdiction hosts, sponsors and everyone else you see this week. NAIC is a massive undertaking that I have had the privilege to see firsthand several times, and it has always been seamless and impressive. The people you will see have put in countless hours to make this the experience of a lifetime. Please take a minute to thank them for their hard work.

Finally, good luck on the competition. The people sitting around you are the best in North America at what we do. It is not an easy task to beat them. But, if you remember the important order (training, fellowship, thanks and competition), you will have a NAIC experience you will never forget. I wish you all the best and be safe. I write this right on the heels of several senseless killings of our brothers. Look out for each other, not only this week but always. I wish I was there, but I will see you in 2017.

2016 NTDC COMMITTEE CHAIRMAN WELCOME MESSAGE

Dear North American Inspectors Championship Participants:

The American Trucking Associations (ATA) and the National Truck Driving Championships (NTDC) Committee congratulate you on achieving international status as one of the top commercial vehicle inspectors in 2016. We understand and appreciate that to qualify for the North American Inspectors Championship (NAIC) it takes countless hours of studying, years of practice and a commitment to excellence that goes beyond the drive and ability of most. For that and for your dedication to your profession, we are truly grateful. You not only ensure our laws are accurately and fairly upheld, but you save lives. You inspire others — law enforcement and drivers alike — to be the best.

During the next few days of intense competition here in Indianapolis, your allies in trucking wish you much personal and professional success, as well as many laughs, new friends and exciting adventures. Even if you've competed before, every year is the experience of a lifetime. Please take the time to enjoy every moment that you are here.

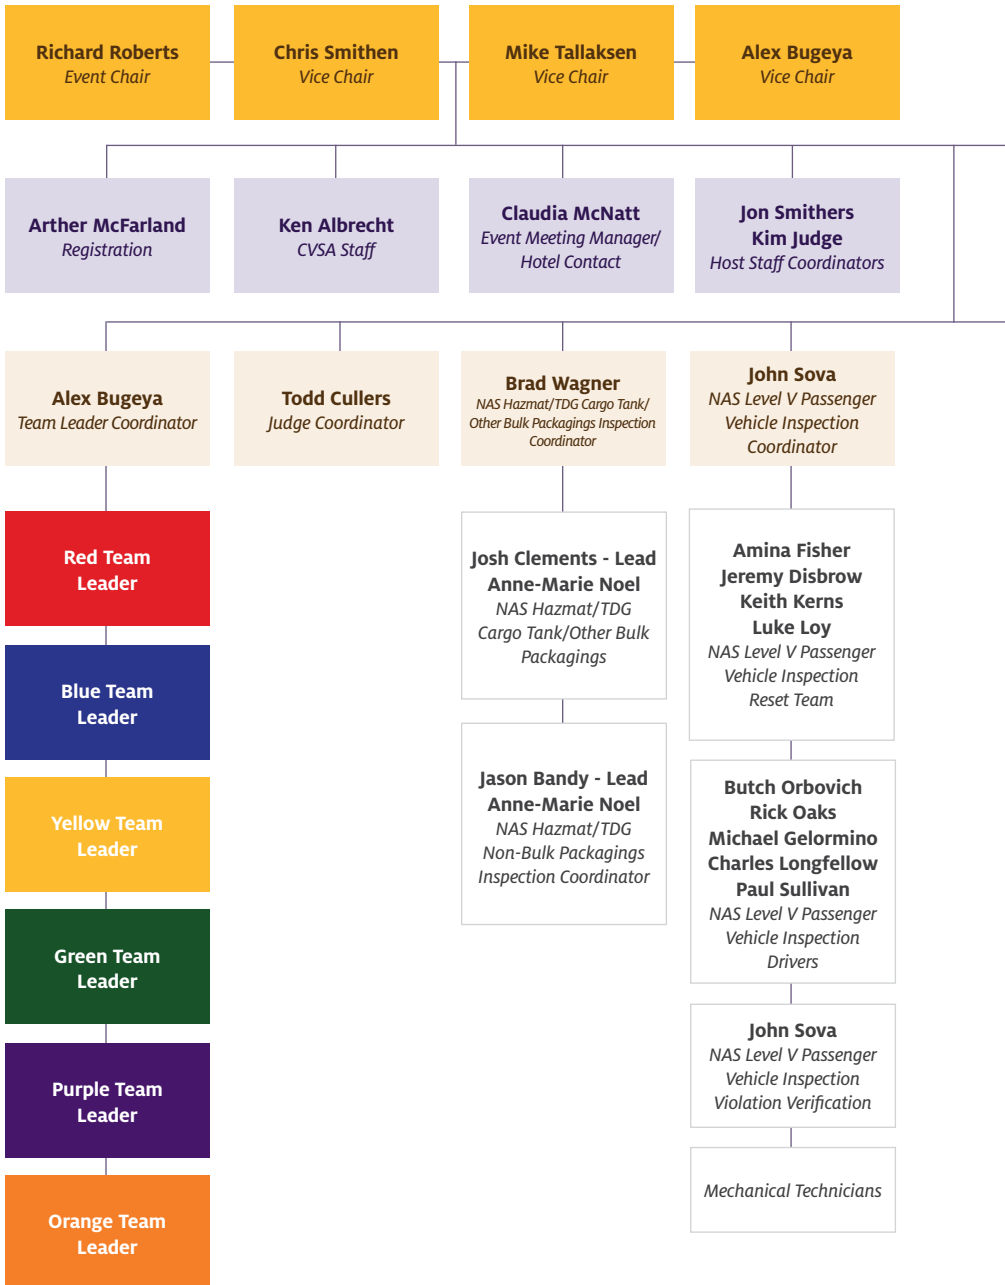

ATA and the NTDC Committee also extends their heartfelt gratitude to the Commercial Vehicle Safety Alliance, its leadership and volunteers for their unwavering support of commercial motor vehicle inspectors and their departments; and for its focus on highway safety throughout the United States, Canada and Mexico. Though it is said every year, we genuinely believe that law enforcement and industry, working together, have a far greater chance at reducing crashes and injuries. Programs like NAIC, the National Truck Driving Championships and the National Step Van Driving Championships help us attain our mutual goal of safe roadways for everyone.

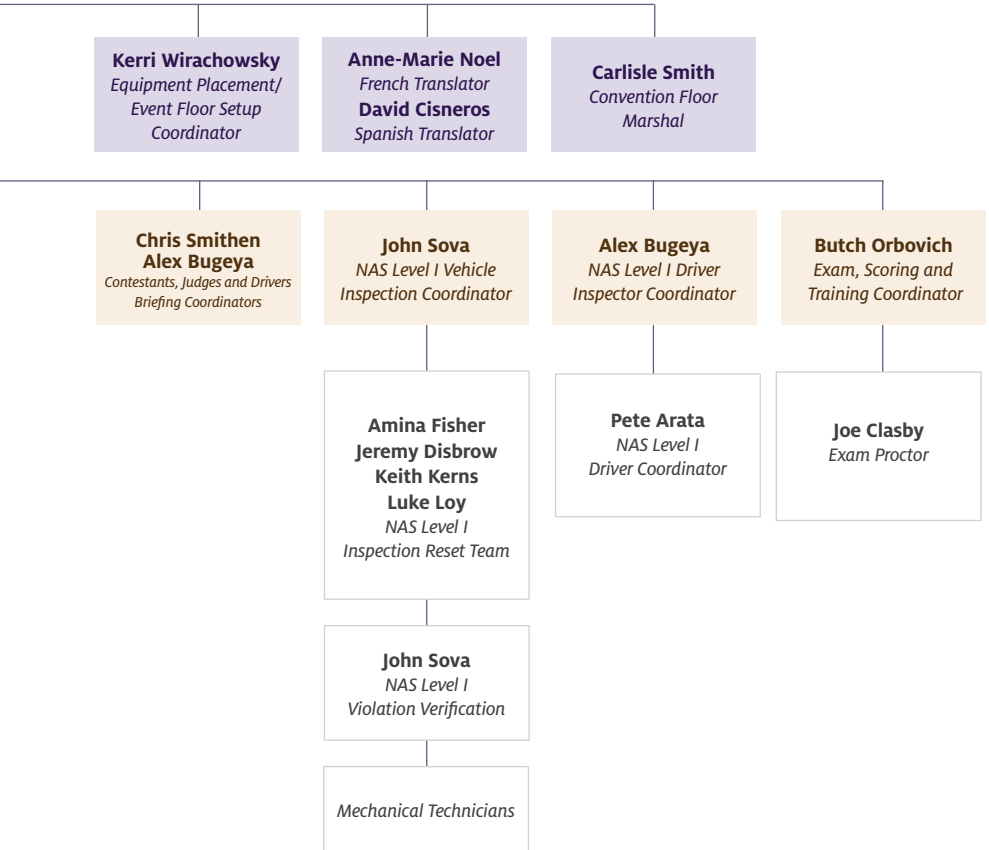

Congratulations and best wishes,

A handwritten signature in black ink that reads "Larry W. Bizzell". The signature is written in a cursive, flowing style.

Event Registration Information

There are no registration fees to compete, participate, volunteer, judge or assist with this event. However, registration is required. In order to ensure adequate transportation for event activities, it is imperative that all competitors and volunteers register so that CVSA has an accurate count of all persons traveling to Indianapolis, Indiana, for NAIC. All online registration for contestants, judges and attendees must be submitted by **Monday, July 25, 2016**.

Name Badges

You must wear your name badge to participate in all meetings, breaks, receptions and events. Hotel staff has been instructed to look for name badges at all functions and will ask that you leave the area should you not display one. If you require assistance, CVSA staff can be identified by red ribbons on their name badge. In addition, CVSA sponsors will be identified with white ribbons. Please take the time to thank them for their continued support and commitment.

Weather

The average high temperature in August in Indianapolis, Indiana, is 83 degrees with an average low temperature of 63 degrees.

Consent to Use of Photographic Images

Registration and attendance at and participation in CVSA meetings and other activities constitutes an agreement by the registrant to CVSA's use and distribution of the registrant's or attendee's image or voice in photographs, videotapes, electronic reproductions and audiotapes of such events and activities.

Sponsorship Opportunities

We invite you to become an official sponsor of the 2017 North American Inspectors Championship. The 2017 NAIC will be held in Orlando, Florida, August 7-11, 2017. The Alliance's success can be attributed to the significant support it receives from its sponsors. As a sponsor, you will receive recognition at your chosen event and in the on-site program. Have an idea? Please let us know how we can accommodate you. As always, your contributions may qualify as a tax-deductible donation. Please email CVSA Manager of Conferences and Exhibits Claudia McNatt at claudiam@cvsa.org for more information.

AWARDS

2016 NAIC Jimmy K. Ammons Grand Champion Award

The Jimmy K. Ammons Grand Champion Award is the highest NAIC honor for roadside inspectors. This award is named after a close friend of the Commercial Vehicle Safety Alliance who exemplified training, education and uniformity of commercial vehicle enforcement programs. Jimmy brought enforcement and industry perspectives to the table to help foster solutions that made our highways safer. Jimmy also played integral roles in all of the Challenge events. His demonstration of knowledge and skills of commercial vehicle enforcement is unrivaled. CVSA honors his dedication to NAIC and CVSA by presenting this award to the Grand Champion of the North American Inspectors Championship.

John Youngblood Award of Excellence

John Youngblood, the quiet, unassuming man from Oklahoma, was a picture of single-minded dedication to commercial vehicle safety and possessed a tireless commitment to excellence in inspector training. John worked as a staff member for the first two Challenge competitions (now called NAIC) and, on the date of the Oklahoma City bombing, was making preparations for Challenge '95. John was killed in that bombing.

Without hesitation, John considered his association with the Challenge competition to be one of the highlights of his long career in safety. Every day of his life, John demonstrated the high standards and ideals that serve as the benchmark for all of us who follow. His

leadership, unwavering dedication to duty and pursuit of excellence continue to be an inspiration to all. To honor the dedication John Youngblood had for commercial vehicle safety and for his peers, we asked NAIC participants to vote for the contestant who exemplifies the following qualities: spirit of cooperation, leadership, professional image, dedication to profession, positive attitude, organizational ability and congeniality.
