FMCSA HM Team Meeting (Invitation Only)

Hilton Tampa Downtown, Second Floor, Garrison Suites

08:00 a.m. ET - 09:30 a.m. ET

Morning Training Session – Elevated Temperature Materials

Hilton Tampa Downtown, Second Floor, Bayshore Ballroom V-VII

This training session will provide you with a comprehensive overview of the regulations for elevated temperature materials found in 49 CFR, focusing on how to verify hazard communications and packaging requirements.

08:00 a.m. ET - 09:30 a.m. ET

Morning Training Session – OOSC Update

Hilton Tampa Downtown, Second Floor, Bayshore Ballroom II-IV

This training session will provide current guidance on Part III of the CVSA North American Standard Out-of-Service Criteria.

08:00 a.m. ET - 09:30 a.m. ET

Morning Training Session – MOTs

Hilton Tampa Downtown, Second Floor, Esplanade Suites I-III

This training provides you with a current review of the applicability and limits of the materials of trade exception in 49 CFR § 173.6 detailing how to verify compliance with shipments made within this exception.

08:00 a.m. ET - 09:30 a.m. ET

Morning Training Session – Under Pressure: Demystifying Cylinder Regulations

Hilton Tampa Downtown, Second Floor, Palma Ceia Ballroom I-III

This course takes the pressure off when it comes to understanding cylinder regulations in the United States and Canada. Using the U.S. Hazardous Materials Regulations (HMRs) and Canadian TDG Regulations and standards, the course will break down how the regulations are organized and how inspectors can use them to identify applicable requirements. Topics will include cylinder selection, specifications and markings, materials and capacities, and cylinder testing and inspection requirements. The course will also highlight common symbols and markings inspectors may encounter and provide a practical foundation for understanding cylinders under pressure on the side of the road.

09:30 a.m. ET - 10:00 a.m. ET

Networking Refreshment Break

Hilton Tampa Downtown, Second Floor, Bayshore Ballroom I

10:00 a.m. ET - 11:30 a.m. ET

Repeat of Morning Training Session – Elevated Temperature Materials

Hilton Tampa Downtown, Second Floor, Bayshore Ballroom II-IV

This training session will provide you with a comprehensive overview of the regulations for elevated temperature materials found in 49 CFR, focusing on how to verify hazard communications and packaging requirements.

10:00 a.m. ET - 11:30 a.m. ET

Repeat of Morning Training Session – OOSC Update

Hilton Tampa Downtown, Second Floor, Bayshore Ballroom V-VII

This training session will provide current guidance on Part III of the CVSA North American Standard Out-of-Service Criteria.

10:00 a.m. ET - 11:30 a.m. ET

Repeat of Morning Training Session – MOTs

Hilton Tampa Downtown, Second Floor, Esplanade Suites I-III

This training provides you with a current review of the applicability and limits of the materials of trade exception in 49 CFR § 173.6 detailing how to verify compliance with shipments made within this exception.

10:00 a.m. ET - 11:30 a.m. ET

Repeat of Morning Training Session – Under Pressure: Demystifying Cylinder Regulations

Hilton Tampa Downtown, Second Floor, Palma Ceia Ballroom I-III

This course takes the pressure off when it comes to understanding cylinder regulations in the United States and Canada. Using the U.S. Hazardous Materials Regulations (HMRs) and Canadian TDG Regulations and standards, the course will break down how the regulations are organized and how inspectors can use them to identify applicable requirements. Topics will include cylinder selection, specifications and markings, materials and capacities, and cylinder testing and inspection requirements. The course will also highlight common symbols and markings inspectors may encounter and provide a practical foundation for understanding cylinders under pressure on the side of the road.

11:30 a.m. ET - 01:00 p.m. ET

Lunch on Your Own

01:00 p.m. ET - 02:30 p.m. ET

Afternoon Training Session – Tube Trailers

Hilton Tampa Downtown, Second Floor, Bayshore Ballroom II-IV

This training provides you with a comprehensive current overview of the regulations for high-pressure tube trailers, focusing on manifolding and valve inspection, structural securement rules and hazard communication requirements for the transportation of bulk quantities of compressed gases.

01:00 p.m. ET - 02:30 p.m. ET

Afternoon Training Session – New Regulations and UN Amendments

Hilton Tampa Downtown, Second Floor, Bayshore Ballroom V-VII

This training session will provide you with the latest PHMSA regulatory changes in the hazardous materials regulations, and current United Nations international harmonization amendments.

01:00 p.m. ET - 02:30 p.m. ET

Afternoon Training Session – Consumer LPG Storage Containers

Hilton Tampa Downtown, Second Floor, Palma Ceia Ballroom I-III

This training provides the requirements for the transportation of liquefied petroleum gas (LPG) for residential use, focusing on 49 CFR regulations for tank transportation and essential hazard communications requirements for home heating tanks.

01:00 p.m. ET - 04:30 p.m. ET

Afternoon-Long Session – UN/IM Portable Tanks

Hilton Tampa Downtown, Second Floor, Esplanade Suites I-III

This hands-on training session delivers practical, interactive inspection instruction on UN/IM portable tanks.

02:30 p.m. ET - 03:00 p.m. ET

Networking Refreshment and Snack Break

Hilton Tampa Downtown, Second Floor, Bayshore Ballroom I

03:00 p.m. ET - 04:30 p.m. ET
